

Church Crookham Garden Society  
Spring Show 2017

A good start to the year in weather terms saw an increase in entries for this years spring show and in particular, a greater number of entries in the Tulip Class was well represented due to the mild winter. There was also a very good standard of entry across all classes and in particular the Floral Art section. It was also good to see Jake Howard will three rosettes and lift the Junior Cup. We

are encouraging children to join and exhibit what they grow and make. Sadly Jake was unable to attend to collect his magnificent haul by his mum Helen picked up his wins together with her rosettes for the best exhibit in the daffodil classes and her magnificent floral display.

The highest Aggregate points in show was won by Sue Grant who picked up the Ian Watson Cup the second year running for her efforts.

The winners assembled for a group photograph with the show secretaries, Alison Cooper and Pat Nield (far right), who did a fantastic job in organising a great show.
